Education

- | | |
|---|-----------------------|
| • Malla Reddy Engineering College | 2023 – Present |
| <i>B.Tech in Information Technology</i> | Current CGPA: 9.12 |
| • TS Model School & Junior College | 2021 – 2023 |
| <i>Intermediate (MPC)</i> | Percentage: 97.8% |
| • TS Model School | 2021 |
| <i>Telangana State Board of Secondary Education</i> | Percentage: 100% |

Projects

- | | | |
|---|---------------|-------------|
| Trajectory – AI-Powered Personalized Learning Platform | GitHub | 2026 |
| • Tech Stack: MongoDB, Express.js, React.js, Node.js | | |
| • Developing a full-stack web application for personalized learning guidance | | |
| • Built backend APIs for handling user data and course recommendations using Node.js and Express.js | | |
| • Worked on database integration and REST API communication between frontend and backend | | |
| • Implemented personalized recommendation logic using JavaScript based on user interests and learning preferences | | |
| Prahar – Civic Issue Reporting Application | GitHub | 2025 |
| • Tech Stack: HTML, CSS, JavaScript, Node.js, Express.js | | |
| • Developed a civic issue tracking website using HTML, CSS, JavaScript, and Node.js | | |
| • Built frontend pages for reporting and monitoring civic issues through a user-friendly interface | | |
| • Integrated data communication between the mobile application and website using IP-based connectivity | | |

Skills

- **Programming Languages:** Java, Python, C, JavaScript
- **Web & Frameworks:** React.js, Node.js, Express.js
- **Databases:** MongoDB, MySQL
- **Core Concepts:** Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), REST APIs, Problem Solving in Java
- **Tools & Technologies:** Git, GitHub, Jupyter Notebook

Achievements

- Solved 150+ Data Structures and Algorithms (DSA) problems using Java across coding platforms
- Participated in Amazon ML Hackathon and developed machine learning models, achieving a SMAPE score of 52
- Selected twice at college level for Smart India Hackathon (SIH), qualifying for idea submission on national portal
- Led development of “Prahar” civic issue reporting application as part of an inter-college hackathon

Certifications

- | | |
|---|------|
| • Database Management System by NPTEL | 2025 |
| • Responsive Web Design by FreeCodeCamp | 2024 |
| • Python for Data Science, AI & Development by Coursera | 2024 |
